## **Audit Report**

This is to certify that the bank statements supplied by Robertson & District Swimming Pool Association have been examined for the period November 2004 to 2 September 2008 which have reflected a true and correct record of the Association's activities for those years.

There has been very little activity in the above years and the only growth in the bank accounts has been from interest received from various term deposits and investment accounts from the IMB & NAB financial institutions which are reflected in the attached spreadsheet.
