

Vacant land behind Robertson Public School was suggested as another possible site, but the feeling was that to deal with Department of Education would be a stumbling block.

Our focus from now in order of priority will be:

1. Lot 12
2. Lot 8
3. ARTC
4. Bowling Club

Also discussed was the need to apprise the community of the status of our negotiations. Lynn has kindly agreed to draft an article to include in the next Robertson Newsletter.

Don & John thought that a meeting with Gareth Ward to advise him of the situation with Block 8 being entailed with Aboriginal Land claim could be useful.
