GENERAL BUSINESS:

Questions from the floor:

Question: Who will run the pool?

Answer: Manager appointed for day to day running and supervised by Community Trust.

Question: In regard to staffing, would life guards and admin staff be required?
comparison to Council pools where higher level of staff on site.

Answer: No - it is thought that the Manager or a person running learn to swim, or squad trainer would be qualified, which may mean that the Manager would not be required to be on site.
